ACADEMIC SUPPORT PROGRAM

ACADEMIC SUPPORT WORKSHOPS IN SMALL GROUPS FOR
CHILDREN IN PRIMARY SCHOOL

**SMALL STEPS TOWARDS
THE JOY OF LEARNING!**

OUR PURPOSE

To support children's perseverance in school by accompanying them in the development of their academic motivation, their sense of organization, their social skills and their self-esteem.

HOW DOES IT WORK?

Your child is referred by his/her teacher or a member of the school team.

With your agreement, the child is enrolled 2 to 4 days per week for a period of school tutoring. This study period takes place at lunch time or after school, depending on the school.

Groups of 4 to 8 children are formed according to the children's grade level. An intervenor is responsible for each group.

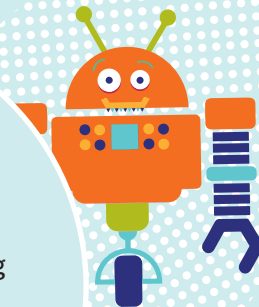

While attending the workshops, your child starts his homework and lessons and carries out educational activities aimed at motivating him and showing him that learning can be fun: creative projects, reading activities, robotics workshops and other digital activities to support learning!

RESPONSIBILITIES OF THE REGISTERED CHILD

- › Have your own material (agenda, pencil case, notebooks, manuals, etc.)
- › Respect the code of conduct
- › Participate in the suggested activities

RESPONSIBILITIES OF THE PARENT

- › Communicate with the Je Passe Partout team
- › Make sure to complete homework and lessons with your child
- › Pick up your child at the requested time

**FOR ANY QUESTIONS,
PLEASE CONTACT THE
COORDINATOR:**

FAMILY SUPPORT PROGRAM

HOME-BASED SUPPORT FOR
PRIMARY SCHOOL CHILDREN AND THEIR
PARENTS

SMALL STEPS TOWARDS
THE JOY OF LEARNING!

OUR PURPOSE

Accompany you in your academic support role and provide support for your child to stay in school.

WHY DO WE COME TO YOUR HOME?

We want to support your child's school perseverance by working mainly on 4 elements:

ACADEMIC MOTIVATION

(learning for fun, doing digital activities, etc.)

WORK ORGANIZATION
(using the agenda, establishing a routine, etc.)

SOCIAL SKILLS

(working quietly, listening to instructions, etc.)

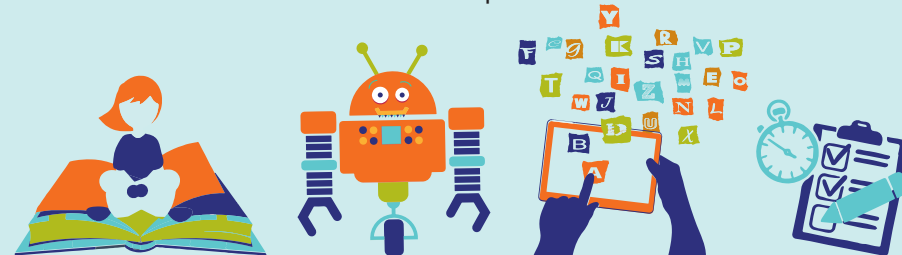

SELF-ESTEEM

(value the child's strengths, let them experience small successes, etc.)

HOW DOES IT WORK?

A Je Passe Partout intervenor comes to work with you and your child at home. Work objectives are developed together, parent, child and intervenor.

These goals are worked on through homework, lessons, digital tools, and educational activities to get the child excited about learning and support their perseverance.

EVERY WEEK, WE LEARN WHILE HAVING FUN!

- › Once a week, at a time determined by the coordinator
- › 60 to 75 minutes per session
- › The child is responsible for bringing his/her own school supplies
- › The parent is responsible for making themselves available to participate in the workshop

IT'S A TEAM EFFORT.
WE COUNT ON YOUR INVOLVEMENT!

TO REMEMBER

A responsible adult must be present in the home at all times during the visit of a Je Passe Partout worker.

The intervenors from Je Passe Partout cannot accept gifts or meals from the families they accompany.
